This premium PVC Marquee is for the more discerning customer, who demands the best quality and the highest specification. A hard wearing robust structure which is ideal for commercial use.

Product Features:

- Steel tube 50mmx2mm grey powder coated slot together steel framework
- Lettered poles for ease of erection
- 600gsm PVC UV stabilised covers
- Fire retardant to BS7837 with certificate and care guide
- Rectangular clear PVC windows along the eaves or plain sides option
- End panels with large zipper doorways with buckle tags
- Heavy duty velcro at legs with elasticated bungees to secure covers to frame
- Wraparound ends and corner leg covers instead of zips for durability and rip prevention
- Ground bars as standard with locator pins
- Skirt as standard to be pegged down and reduces wind or breeze entering marquee
- Velcro roof edges and sides to reduce water entry during inclement weather

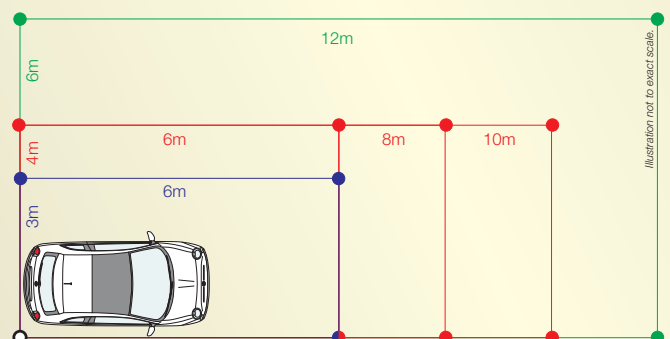

Uses:

- Garden parties
- BBQs
- Family celebrations
- Weddings
- Maintenance shelter
- Storage
- Show stands
- Trader stalls
- Exhibitions
- Fundraising
- To purchase to hire out

Why buy?

- Individual 2m side sections
- Ground bar sleeves for tight walls
- Delivery to anywhere mainland UK
- Next day delivery available
- Comes in many different sizes
- Thicker, stronger, more durable poles
- Highest quality materials available
- Side skirt for tidier finish
- Wrap around corners instead of corner zips which can split under pressure
